

School Sustainability PROGRAM

At Earth Bottles we are working hard to educate and empower both kids and adults to cut single use plastics. We are an Australian company founded by Aussie Blues Musician Ash Grunwald and his wife Danni Carr who are on a mission to clean the globe. With every purchase you make Earth Bottles gives back to Australian charities and funds our Clean The Coast beach clean up tour.

We would like to offer a 50% discount on these selected items

Name option available
