Dear Prospective Family,

Welcome to Lara Lake Primary School.

My name is Zane Moylan, and It is an honour and a privilege to serve as the principal of Lara Lake Primary School. I am passionate about providing our wonderful students with the opportunities they require to thrive as active members of this community. I am a dad, and I want the same for your kids as I do for mine – for them to be safe, develop friendships, flourish academically, and to develop the key social and emotional skills that will allow them to become great human beings. **This is what drives me every day.**

We have a terrific team of staff who work collaboratively to create an environment that enables all students to reach their potential. Our school uniquely implements high expectations for all – students, staff, and families. We have established a clear set of expected cultural behaviours and routines which are consistently implemented in every classroom across the school.

We deeply value calm, quiet and supportive learning environments. We aim to create learning spaces where all children can safely access high quality teaching and learning programs, delivered by highly competent teachers.

Our teaching and learning approaches are evidenced-based and designed to meet the needs of all students. Our practices are constantly reviewed to ensure that we are providing the highest quality instruction for your child.

Our values of Respect, Responsibility and Excellence play an important part in our school culture, and we ensure that they are taught and upheld by all members of our school community.

Visitors to our school frequently comment on the calmness of our classrooms and the friendliness of our staff and students. If you are a prospective member of our community, I invite you to visit us for a tour – these are run on the first Friday of each month. Please contact our school office on 52821261 to make a booking.

I look forward to meeting you soon.

Zane Moylan

Principal

*Learning and growing together*
